

Legal Disclaimer

Abayenko Ltd is a limited liability company incorporated in England and Wales with the company registration number [14280120] and VAT number [466171286].

Its principal place of business and registered office is 181 Brompton Park Crescent, London SW6 1SX.

The company and its officers are indemnified against most liability in tort arising from unforeseen events.

STATEMENT OF POLICY: EQUAL OPPORTUNITY, DIVERSITY & INCLUSION

Abayenko Ltd is an equal opportunities employer committed to a policy of diversity and inclusion. This means no employee or applicant will be treated less favourably on the grounds of race, nationality, gender, marital status, disability, age or religion. The company expects all employees to support this policy and comply with all applicable laws prohibiting discrimination, harassment or bullying in the workplace.

ONLINE SYSTEMS: TERMS OF USE, COPYRIGHT NOTICE & LIABILITY DISCLAIMER

The trademarks, designs and logos displayed on this website are protected intellectual property wholly owned by Abayenko Ltd. The use or misuse of these trademarks, designs and logos without our agreement is strictly prohibited.

The contents and functionality on the site are the exclusive property of the company. Although reasonable care has been taken to ensure content is accurate and up-to-date, it is provided 'as is' and for informational purposes only, without warranty or representation regarding accuracy, compatibility or completeness.

You are granted access to this site as well as the right to download, display and print its contents, provided you do not modify, reproduce or distribute them for commercial purposes. Any duplication of the content must include the copyright notice contained therein and all rights are reserved.

By using this site, you are agreeing to these terms of use. If you do not or cannot agree with these provisions, you are not allowed to use the site and should immediately terminate usage.

COOKIES POLICY

Our website utilizes cookies, which are simple text files that are stored on your computer or mobile device by a website's server. Each cookie is unique to your web browser and contains information such as a unique identifier or website domain name.

Cookies and similar technologies are designed to enhance your experience on the site. You can refuse cookies at any time through your browser, although disabling them may diminish your experience on the site and some features may not work as intended.

Examples of cookies we use on the site include:

- First party cookies served directly by us to your device;
- Third party cookies served by a third party on our behalf for the purposes of site analysis and tailored advertising.

Legal Disclaimer

Essential Cookies	Essential cookies enable you to navigate the site and use its services or features.
Analytics Cookies	Analytics cookies collect aggregated information about your use of the site and enable us to improve our systems, policies and processes.
Preference Cookies	Preference cookies collect information about your choices or tastes, which enables us to remember language and other local settings for site customization and provide a more personalized experience.
Advertising Cookies	Advertising cookies collect information about your activities on the site and are set to display targeted promotions or advertisements based upon your interests.
Social Media Cookies	Social media cookies collect information about social media usage that helps us integrate and measure the effectiveness of social media sharing tools.
Pixel Tags	Pixel tags are in place to track the actions of website users, measure the success of our marketing campaigns and compile statistics about usage of the site.
Adobe Flash	Flash Local Shared Objects (LSOs) are used to collect and store information about your use of the site.
Google Analytics	We use Google Analytics, which uses cookies and similar technologies to collect and analyze information about the use of our services and generate reports on activities and trends. This information allows us to review site performance and improve our services.
Physical Location	We collect the physical location of your device, for example, by using satellite, cell phone or WiFi signals. We use your device's physical location to provide you with personalized location-based services and content.
Device Information	Some information is collected automatically by browsers through your device, such as your MAC address, computer type, screen resolution, operating system, internet browser, language, device manufacturer and model. We use this information to ensure our site functions properly.
